

Narberth Playground Gets Under Way

CITIZENS' MEETING AUTHORIZES HOLDING COMPANY TO ORGANIZE
—\$22,500 ALREADY SUBSCRIBED.

Armistice Day should henceforth have an added significance for Narberth folks, as it was on the 1920 anniversary of that conspicuous date, November 11, that Borough residents, with high resolve, authorized the formation of a citizens' association to acquire for playground purposes the fine stretch of land between Windsor and Haverford avenues, ending at Wynnewood avenue, nearly 6 acres, which, added to the two additional acres which are available for condemnation without cost, will afford almost 8 acres of centrally located ground for community recreation purposes, athletic activities, etc.

So, then, the start has been made and the records do not show that any project hereabouts has been greeted with more refreshing public spirit nor a more unanimous desire for civic betterment and progress. Action has been the keynote of the enterprise since its inception, and action must continue to be the slogan, for what has already been done is altogether too fine, too praiseworthy, to suffer from lethargy, from any species of innocuous desuetude, and it is expected that by December 1st every detail will be completed and the Borough will then have in its grasp the last available desirable spot for the playground facilities and village green,

which every enterprising American community should possess and which will forever preclude the admission of incongruous features in our midst.

Therefore, between now and the end of the month, an opportunity is afforded a few more citizens to get on board a venture which will redound to their everlasting credit, which will indicate that they possess in truth a proper recognition of the obligation which is theirs with respect to the community in which they live, which shall make plain that Americanism is not only a platitude, but a sterling, virile thing that involves duties as well as rights, that heed is paid to the outstanding fact that that generation which does not provide for its posterity has to be branded in the records as a wretched failure, as unworthy and unfit.

It is essential, then, that the co-operation shall come without cajoling and without coaxing, keeping in mind that, after all, no permanent expenditures are to be made, as the association proposed is only to hold the ground until such time, a year or two, as the Borough can purchase it officially, and during the time the citizens' money is invested it is to be regarded as worth

Thanksgiving Proclamation

In these times of progress in the affairs of the Nation and of the World, and in the development of unity among the Nations and the strengthening of the ties of federation among our several states, it is meet and fitting that each and every individual should devote serious moments to the giving of thanks for the many blessings which we enjoy.

With the outlook for the most bountiful yield in the staples of life which this country has ever produced, there is renewed reason for our giving of thanks. The problems, foreign and domestic, which have beset us in the past are, we believe, in fair way to be solved. Our national, state, municipal and individual prosperity is constantly increasing.

The President of these United States, and the Governor of the Commonwealth of Pennsylvania have, by proclamation, set apart and designated Thursday the Twenty-fifth day of November in the year of our Lord, one thousand, nine hundred and twenty as a day of National Thanksgiving.

Now, therefore, I Carroll Downes, Chief Burgess of the Borough of Narberth, do hereby likewise proclaim that this day and date should be observed by the citizens of our Borough in proper manner and in accordance with the proclamation of the President of the United States and the Governor of the Commonwealth.

Given under my hand and the seal of the Borough this Seventeenth day of November in the year of our Lord, 1920, and of the Independence of the United States, the One Hundred and Forty-sixth year.

A PLAN TO GUARANTEE NARBERTH'S ADVANTAGES AS A STRICTLY RESIDENTIAL TOWN AND TO PROMOTE PUBLIC HEALTH, MORALS AND WELFARE, TO RECOGNIZE THE OBLIGATION WHICH IMPOSES ON EVERY COMMUNITY TO PROVIDE FACILITIES FOR OUT-DOOR PLAY FOR ITS YOUTH AND A RECREATION CENTRE FOR ALL ITS MEMBERS.

The Last Available Site for Such a Purpose in Narberth is Now on the Market.

Shall the Community Secure It for Its Own or Shall It Be Allowed to Go for Commercial or Other Depreciating Enterprises?

The Answer Must Be Made Now.

Here Are the Facts of the Case:

SITE: Nearly 6 Acres between Windsor and Haverford Avenues, ending at Wynnewood Avenue, now owned by Pennsylvania R. R. Co.

PRICE: \$30,000, a figure which it is said private factors are willing to pay.

OFFICIAL CONDITIONS: Borough cannot take immediate action officially on account of present obligations and also because Bond Issue involved cannot be approved by Electorate for at least one year. A year might be too late—it unquestionably would be—therefore—

A HOLDING COMPANY TO BRIDGE THE GAP

It is proposed that a Company shall be formed of Narberth Citizens who shall provide on a Stock or Bond Basis for the Equity Money necessary to get title to this Property now, as no binding options can be had. Will you co-operate along these lines?

1—A deposit of \$100 shall be made for each share of stock or bond.

2—The subscribers shall obligate themselves to hold the plot subject to its purchase by the Borough for a period of 3 years, the price to be paid by the Borough to represent cost, which shall include the amount invested, plus interest, plus whatever carrying charges have been incurred.

3—If the Borough fails to exercise its option within 3 years, the Association can sell the property on its own account, in which case a tidy profit should accrue to each man who co-operates in this enterprise. Therefore, you are assured of a handsome reward irrespective of what turn events take—

(A) Either by the incalculable benefit you bestow on the entire community, particularly its youth, together with the enhanced value which is assured every property in the Borough, including your own, or—

(B) You will share in the excellent money profits which are altogether probable if the ground were used for a private venture.

As this outline is prepared, \$22,500 has been subscribed as the result of a very casual and limited canvass.

Not one man has rejected the idea nor the request for his co-operation.

Remember, you are not asked to give the money away—nor to lend it—

You are asked to invest it—at interest—in a fine piece of Main Line property—

Situated in your own Home Town, right under your very eye—

In a location where by the very nature of things the value must constantly increase.

Therefore, confirm the amount which you ought to subscribe—

Arrange so that Narberth will assure its future—

That its children shall have all the facilities other communities afford—and which no community should be without—

That healthful, clean athletics shall be provided for—

That our Borough shall have a Recreation Centre and a Village Green available to all its residents—

That encroachment of any and all undesirable features shall be positively precluded.

That we shall not lose the last opportunity which is available to us to do that which has been so long desired.

Do not wait to be asked. Do not let delay spoil nor mar the fine spirit of the occasion!

Subscriptions may be reserved by application to the officers of the temporary organization.

Editorial

In the report which was made by the Playground Committee at the public meeting of citizens on Armistice Day, some highly interesting features of the Borough's financial situation were revealed, including the fact that Narberth's present indebtedness is only \$3,500, of which \$14,000 will be liquidated on or before January 1, 1922, as every sinking fund is right up to the mark and all expenses are kept strictly within current revenue. This very satisfactory condition has only been accomplished by the untiring and intelligent application which Councils have given our affairs for the last few years, as previous to that we were in a sorry plight, and it required the herculean methods which were adopted to effect the present highly desirable situation. The credit of the Borough is now at the highest of its history, with assessments quickly approaching \$3,000,000, and it is altogether likely that Councils, fed up as they are on the corn beef and cabbage of legislation, roads and sewers and garbage and ashes, will welcome the opportunity to spread themselves on welfare projects such as the playground, if it is at all practicable, as such enterprises are quite in accord with their own high personal standards, and the community can depend on them to render effective aid within their limitations and still conduct the administration of our everyday affairs in the careful and judicious manner which has characterized their previous supervision.

Narbrook Residents Approve Playground

LETTER FROM VICTOR D. ABEL SHOWS NARBERTH'S COMMUNITY SPIRIT FOREMOST IN MINDS OF NARBROOK RESIDENTS

To the Editor of our Town:—

The residents and property owners within the confines of Narbrook Park met recently and organized as The Narbrook Park Improvement Association for the promotion of welfare within the Park and also to encourage and get behind any movement which is to the betterment of the whole of Narberth.

Under the latter category it was our pleasure to receive from Mr. Edgar a very interesting report of the progress being made toward the completion of the fund and program for acquiring the tract of ground now owned by a subsidiary of the Pennsylvania Railroad between Windsor Avenue and the railroad for the purpose of securing to Narberth a modern playground and athletic field.

It was the sense of the meeting that the successful completion of this program is of vital importance to the future of Narberth and will keep it in the front rank of progressive communities. Each member present pledged his moral and, where possible, financial support to the undertaking. As temporary president of the Association, it is my pleasure to present to the residents of Narberth, through "Our Town" the views of those living in Narbrook Park and to urge upon all of our fellow citizens the extreme desirability of assisting in all ways possible the work of the committee having charge of the arrangements.

Narberth High Wins

Defeats Lower Merion High in Close Contest.

Narberth, Pa., Nov. 13.—This afternoon an immense crowd gathered on the grounds of Lower Merion High School to witness the team's game with the Narberth High School. In fact, the attraction was so great that a vaster crowd has never assembled there. Both teams represented schools less than a half-mile apart, and the spirit they displayed evoked the enthusiasm of the more cold-blooded, but equally eager, portion of the crowd. The game was a very spirited tussle, the winning team being Narberth, score 13 to 7.

SCHOOL NOTES

"Without halting, without rest,
Lifting better up to best."

NARBERTH HIGH SCHOOL HAS STRONGEST TEAM IN YEARS

When the first call for candidates for the football team was sent out by Coach Barfoot on September 7th, it was answered by a large number of candidates. This squad included many veterans around whom as a nucleus, a strong team could be formed. Among them were Capt. Jenkins, end; Cooke, fullback; J. Dickie, quarterback; Davis, tackle; Martin, guard; R. Ward, center; M. Dickie, halfback and Knapp, halfback. In addition to these were the stars of last year's second team: A. Ward, Knutzen, Erdman and Caldwell. Several new players reported also who gave promise of becoming stars, among them Odiorne, Riley, Hillegas, Smedley and Muller.

Preliminary practice was begun immediately by the Coach to harden the players for the big games. All the men have reported regularly for practice on the field since, and deserve much credit for their spirit.

Before the schedule opened with Darby High School, practice games were

arranged with Frankford High School and Germantown Friends'. To these games much can be credited toward our successful season.

The first game of the season was lost, not through the poor playing of the team as a whole, but through the ignorance of penalty rules on the part of several of the players. Through these mistakes our chances to win were lost. Our other games have been won in order. The scores of all the games follow:

Narberth 0 Darby 7
Narberth 20 Haddonfield 0
Narberth 7 Haddon Heights 0
Narberth 13 Abington 0
Narberth 18 Moorestown 0
Narberth 13 Lower Merion 7
Total 71.....14

During all the games splendid teamwork, the result of fine coaching, was displayed. The spirit of the team also was very good, especially at Lower Merion, where the indomitable spirit of the men crushed the opponents' defense and enabled us to win an uphill victory. The regular lineup of the team follows:

R. E. Odiorne
R. T. Davis
R. G. Martin
C. Ward
L. G. Knutzen
L. T. Erdman
L. E. Jenkins (Capt.)
Q. B. J. Dickie
R. H. B. Knapp
L. H. B. M. Dickie
P. B. Cooke

The first string men who starred in the various games are Riley, Smedley, Hillegas, A. Ward, Caldwell and Muller. The average weight of the team is approximately 155, line 160, backfield, 145.

Much credit is due Mr. Barfoot, the Coach, for his untiring effort in producing a powerful team for our school. As coach and friend he is well liked by all the players and his spirit in sticking to the team through thick and thin may be taken as an example.

Narberth vs Lower Merion

Saturday, November 13th was an ideal day for football, and the Narberth and Lower Merion High Schools took advantage of the brisk weather by staging the closest and best played football game of the season, on Lower Merion grounds. Both teams were well represented and the spectators kept themselves warm by making as much noise as possible.

The moment the whistle blew, both teams were fighting their hardest to win the laurels of the day. The end of the first half saw Lower Merion team leading by a score of 7-0.

Although it seemed that Narberth was out-classed in the first half, they came back with new hope and energy in the second half. Within the first few minutes of play, John Dickie, of Narberth, by means of one of his famous long end-runs, scored the first touch-down for Narberth, but he failed to kick the goal. Lower Merion then led by one point.

In the beginning of the last quarter, although Lower Merion was leading 7 to 6, it was easily seen that they would not remain ahead as the Narberth line was steadily advancing through continual gains made by the star fullback, Arthur Cooke. Within a few moments this was realized as Millard Dickie carried the ball across the line for Narberth's second touch-down. John Dickie kicked the goal, making the score 13-7, which was final. As soon as Millard Dickie made the touch-down, the Narberth rooters went wild with joy. In a few minutes the game was over and Narberth High School had won its most important game of the year.

Narberth was especially jubilant over the victory, inasmuch as both schools had looked upon the game earlier in the season as more or less of a practice game for Lower Merion previous to their big game of the season with Radnor High School. However, because of Narberth's great improvement through the season, the practice game developed into a real contest.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.

Presbyterian Church Gives Reception to Pastor

REV. AND MRS. JOHN VAN NESS COMPLETE TEN YEARS SERVICE IN NARBERTH

Growth of Church Shown

Reverend and Mrs. John Van Ness were given a reception by the officers and members of the Narberth Presbyterian Church last Wednesday evening, in honor of their having completed ten years of service in Narberth. The occasion was a most delightful one, and was attended by upward of four hundred members of the Church and the congregation. The Sunday School portion of the Church, including the new addition which has just been placed in service, was elaborately decorated with palms and cut flowers.

Addresses were made by Rev. Avery S. Demmy, pastor of the Baptist Church, and Rev. Arthur S. Walls, pastor of the Methodist-Episcopal Church. Robert L. Beatty, Ruling Elder, spoke on behalf of the officers and members of the Presbyterian Church. His remarks were principally directed to Reverend and Mrs. Van Ness. He recounted the many things which had been accomplished during the past ten years, and spoke in the highest terms of praise of the untiring efforts which had constantly been put forth by Reverend Van Ness, as well as Mrs. Van Ness, to uphold the spiritual and moral standing of not only the Presbyterian Church, but Narberth in general.

As a tangible evidence of the love and high esteem in which the Church and congregation hold their Pastor and his wife, Mr. Beatty then presented to Rev. Van Ness, a leather purse, containing a check for a sum of money representing the individual contributions which had been made by the members of the Presbyterian Church. Mrs. Van Ness was also presented with a bouquet of yellow chrysanthemums.

A resume of the work done by the Presbyterian Church during the past decade, shows that Rev. Van Ness delivered 952 sermons, in addition to 633 addresses on other occasions. He made 3,869 pastoral calls, performed 110 baptisms, officiated at 62 funerals, and 33 weddings.

Indicative of the growth of the Church is the fact that during the period of the present pastorate, 454 new members have been received into the Church. There have been dismissed to other churches 116 persons, while the present church membership totals 413.

The amount of money contributed by the Church to local expenses was \$57,665. About one-half as much more was given to benevolences. The Church, during the decade, was able to clear off a debt of approximately \$5,000.00; it installed a new pipe organ at a cost of \$3,200.00, and made numerous improvements to the church property. At the present time the building is being enlarged by the construction of additions to the auditorium and also to the Sunday School portion. This latter improvement has just been completed, and was placed in actual service last Sunday. The work on the extension to the auditorium has not as yet been started.

Reverend Van Ness and Mrs. Van Ness were assisted in receiving by the Elders of the Church and their wives. During the evening, music was furnished by an orchestra, while the members of the choir rendered several selections. Following the reception, refreshments were served by the ladies.

current interest rates, and recompense made in due course accordingly. An outline of the financial aspect of the project appears in this issue of Our Town, and it is expected that those who have not as yet availed themselves of the privilege to participate in this wholesome venture will quickly come to the centre and indicate the amount they would like to invest.

It may be necessary to cut some of these subscriptions down, even those already made, as every citizen with the proper disposition should be afforded a fair opportunity, and the investments should, therefore, be as widely distributed as circumstances will allow. If this is interpreted as simply an unusual manner of stimulating action, please take note of the fact that as this is written 51 citizens have subscribed for \$22,500, which is quite ample to guarantee the complete success of the plan. Therefore, make haste and do not let opportunity spoil nor mar the spirit of this decidedly auspicious occasion. The actual payment of the money can be arranged in a manner which should correspond with the convenience of the investor, in 30, 60 and 90 days. The subscribers to date are as follows and a completed list will be published in a succeeding issue:

The meeting on Thursday night was directed by Dr. Snyder as chairman, and his effective presentation of the subject would make further definition of the situation unnecessary if the meeting had been attended by all those who are intimately and personally concerned in the project under way. A detailed report was presented by an investigating committee outlining all the features of the case, legal, civic and financial, and a resolution authorizing an organization with temporary officers was unanimously adopted.

Another meeting is planned for November 30, 1920, when the Committee on Organization will report and the association formed in a permanent fashion.
